

2017 ONLINE APPLICATION INSTRUCTIONS

Before beginning, please make sure you READ ALL INSTRUCTIONS carefully and thoroughly

Logging In

- When you arrive on the application homepage, you will create a login in order to submit your application and to track its progress
- We highly recommend you use a permanent email address to which you will have continuous access. If you are admitted to the program, this will be the address to which all correspondence is sent.
- A verification email will be sent to you. You will then click on the link to log into CollegeNet and start your application.
- Click on “Online Application” on the Online Application Menu screen

Personal Information

- You will arrive at the Penn: Graduate, Professional, and Continuing Education Application (**yes, you are in the right place!**)
- Complete the section containing your personal information

Program Information

- You will select the program by typing “Engineering Summer Academy at Penn” into the search bar and then clicking on the name once it is populated below
- Select the program term
- You must then select a first and second concentration/ course choice (students will only be admitted to one course)
- Please select “No” for the Application Review question and continue to the next page

Personal Information Continued

- Please read carefully and answer all questions accordingly

Academic Background

- Please read the instructions for “ESAP applicants”
- You must list the requested information (and provide OFFICIAL transcripts) for ALL high schools you have attended
- **ONLY OFFICIAL high school transcripts will be accepted for your application; please DO NOT upload unofficial transcripts:** <https://esap.seas.upenn.edu/apply/application-requirements/>

Standardized Tests

- Upload scores for any standardized tests that have been taken, that you want to be considered for your application
- Uploads must be scanned or copied versions of official score reports or online results. The student’s full name and numeric score must be clearly displayed on the uploaded document

2017 ONLINE APPLICATION INSTRUCTIONS

Recommendations

- You must provide the full name and email address of your recommender, in order for them to receive online submission instructions for your letter of recommendation
- **Your request to your recommender has not been submitted until you click the button to submit your request under EACH recommender**

Additional Information

- Please read carefully and answer all questions according
- **Be sure to click on and read each student/ academic conduct code in its ENTIRETY. You WILL be held accountable for upholding these standards if admitted to the program**

Supporting Documents

- Please carefully read the instructions in order to upload your essay responses

Agreement Statement

- Please read carefully and answer all questions accordingly
- You will then be directed to the payment portal
 - Your application will not be submitted to us until payment is made

Application Status

- You have the ability to log in and check the status of your application (or letters of recommendation) at any time
- Log in using your email address and password, then click on online application
 - Here you will be able to view the Checklist, check on the status of your recommendation letters, transcripts, and other documents
- **Please note: priority decisions WILL NOT be released before March 27th**

Troubleshooting/Issues

- CollegeNET provides help with troubleshooting any problems regarding the application or the payment website
- The “Contact our Help Desk” button is located on the bottom left of each page
- **Please DO NOT contact the ESAP office regarding issues or problems with the online application or the payment page- we cannot provide assistance and will refer you to CollegeNet**
