2017 ONLINE APPLICATION INSTRUCTIONS

Before beginning, please make sure you READ ALL INSTRUCTIONS carefully and thoroughly

Logging In
• When you arrive on the application homepage, you will create a login in order to submit your application and to track its progress
• We highly recommend you use a permanent email address to which you will have continuous access. If you are admitted to the program, this will be the address to which all correspondence is sent.
• A verification email will be sent to you. You will then click on the link to log into CollegeNet and start your application.
• Click on “Online Application” on the Online Application Menu screen

Personal Information
• You will arrive at the Penn: Graduate, Professional, and Continuing Education Application (yes, you are in the right place!)
• Complete the section containing your personal information

Program Information
• You will select the program by typing “Engineering Summer Academy at Penn” into the search bar and then clicking on the name once it is populated below
• Select the program term
• You must then select a first and second concentration/ course choice (students will only be admitted to one course)
• Please select “No” for the Application Review question and continue to the next page

Personal Information Continued
• Please read carefully and answer all questions accordingly

Academic Background
• Please read the instructions for “ESAP applicants”
• You must list the requested information (and provide OFFICIAL transcripts) for ALL high schools you have attended
• ONLY OFFICIAL high school transcripts will be accepted for your application; please DO NOT upload unofficial transcripts: https://esap.seas.upenn.edu/apply/application-requirements/

Standardized Tests
• Upload scores for any standardized tests that have been taken, that you want to be considered for your application
• Uploads must be scanned or copied versions of official score reports or online results. The student’s full name and numeric score must be clearly displayed on the uploaded document
Recommendations

- You must provide the full name and email address of your recommender, in order for them to receive online submission instructions for your letter of recommendation.
- Your request to your recommender has not been submitted until you click the button to submit your request under EACH recommender.

Additional Information

- Please read carefully and answer all questions according.
- Be sure to click on and read each student/academic conduct code in its ENTIRETY. You WILL be held accountable for upholding these standards if admitted to the program.

Supporting Documents

- Please carefully read the instructions in order to upload your essay responses.

Agreement Statement

- Please read carefully and answer all questions accordingly.
- You will then be directed to the payment portal.
  - Your application will not be submitted to us until payment is made.

Application Status

- You have the ability to log in and check the status of your application (or letters of recommendation) at any time.
- Log in using your email address and password, then click on online application.
  - Here you will be able to view the Checklist, check on the status of your recommendation letters, transcripts, and other documents.
- Please note: priority decisions WILL NOT be released before March 27th.

Troubleshooting/Issues

- CollegeNET provides help with troubleshooting any problems regarding the application or the payment website.
- The “Contact our Help Desk” button is located on the bottom left of each page.
- Please DO NOT contact the ESAP office regarding issues or problems with the online application or the payment page- we cannot provide assistance and will refer you to CollegeNet.
