ESAP APPLICATION INSTRUCTIONS

Logging In

- When you arrive on the application homepage, you will create a login in order to submit your application and track its progress.
- We highly recommend you use a permanent email address to which you will have continuous access. If you are admitted to the program, this will be the address to which all correspondence is sent.
- A verification email will be sent to you. You will then click on the link to log into CollegeNet and start your application.
- Click on “Online Application” on the Online Application Menu screen.

Personal Information

- You will arrive at the Penn: Graduate, Professional, and Continuing Education Application (yes, you are in the right place!)
- Complete the section containing your personal information.

Program Information

- You will select the program by typing “Engineering Summer Academy at Penn” into the search bar and then clicking on the name once it is populated below.
- Select the program term.
- You must then select a first and second concentration/course choice (students will only be admitted to one course).
- Please select “No” for the Application Review question and continue to the next page.

Personal Information Continued

- Please read carefully and answer all questions accordingly.

Academic Background

- Please read the instructions for “ESAP applicants”.
- You must list the requested information (and provide OFFICIAL transcripts) for ALL high schools you have attended; your application WILL NOT be reviewed until we have received ALL of the official transcripts from the high schools that you listed on your application.
- ONLY OFFICIAL high school transcripts will be accepted for your application; https://esap.seas.upenn.edu/apply/application-requirements/

Standardized Tests

- Upload standardized test scores that you want to be considered for your application (SAT, ACT, etc).
- Uploads must be scanned or copied versions of official score reports or online results. The student’s full name and numeric score must be clearly displayed on the uploaded document.
- International students please refer to our website for English proficiency requirements.

Recommendations

- You must provide the full name and email address of your recommender, in order for them to receive online submission instructions for your letter of recommendation.
- Your request to your recommender has not been submitted until you click the button to submit your request under EACH recommender.
